ROLINE Flex Cable Duct, TPE, black, 1.8 m

Product No.	19.08.3105
Manufacturer	ROLINE
Manufacturer No.	19.08.3105
EAN (single piece)	7630049626256

The cable bridge not only covers the cables lying on the floor, it also prevents tripping. The cable bridge has three cable passages that separate data and power supply cables - to prevent signal interference.

The cable bridge not only covers the cables lying on the floor, it also prevents stumbling hazards. The cable bridge has sloping non-slip sides and one passage for data and power cables.

- Protects against stumbling hazards
- One protection channel
- Material: Flexible and halogen-free TPE
- Can be shortened to the required length
- Can be used both as a floor and wall channel
- Dimensions (WxDxH): 60 x 1800 x 12 mm
- Color: black

Technical specifications	
Manufacturer	ROLINE
