

VALUE Non-Contact Voltage Tester, 1000V, with Flashlight

Product No.	19.99.5079
Manufacturer	VALUE
Manufacturer No.	19.99.5079
EAN (single piece)	7630049617315

Non-contact, automatic voltage test for voltages from 12-1000V AC for a wide range of applications

- Provides non-contact detection of AC voltage
- Detects 12 to 1000V AC with simultaneous visual and audible voltage indicators
- Bright flashlight illuminates work area and may be used independent of voltage detection function
- Visual LED indicates the presence of voltage - the higher the voltage sensed, or the closer to the voltage source, the more LEDs light up
- Bar graph visual voltage indicator utilizes up to five vibrant LEDs for easy interpretation/viewing
- Audible voltage indicator beeps at a greater frequency the higher the voltage that is sensed, or the closer to the voltage source
- "Auto Power-Off" conserves and extends battery life
- Screw-thread battery cap with O-ring ensures protection against dust and water ingress
- Lightweight, compact tool with pocket clip provides convenient storage and quick access

Technical specifications	
Manufacturer	VALUE
Product group	Tester
Product type	Cable tester
Colour	black

Battery category	Portable battery
Number of batteries	2 pieces
Battery type	AAA
Battery	included
Weight	29.8 g
Height of packaging (single piece)	30 mm
Width of packaging (single piece)	40 mm
Depth of packaging (single piece)	190 mm
Package weight (single piece)	0.07 kg
