

# ROLINE Keystone 19" Module Frame, empty, 24 ports, shielded, clip fixing, black

|                    |               |
|--------------------|---------------|
| Product No.        | 26.11.0390    |
| Manufacturer       | ROLINE        |
| Manufacturer No.   | 26.11.0390    |
| EAN (single piece) | 7630049628854 |

## 19" module frame for shielded keystones - now with clip fastening for the cables.

- 19" module frame for (especially shielded) keystones/modules
- Color code on the keystone jacks, based on the standard EIA/TIA 568 A and 568 B
- 24 ports
- Color: black
- REMARK: Strain relief - the cable fixing is realized with cable clip which saves a lot of time in comparison with the traditional method by using cable ties.  
The cable clip can be opened for the insertion or removal of wires/cables and then snapped shut.
- Remark: Keystones are not included. Please order them separately.
