

INLINE® CABLE CONNECTOR EMPTY HOUSING

RJ45 Keystone, IP68, with cover

- **Reliable IP68 protection:** The blank housing provides permanent protection for installed RJ45 Keystone modules against dust, moisture and temporary submersion, enabling secure network connections even in demanding environments.
- **Flexible cable sealing:** Two included silicone sealing systems allow use with cable diameters from 1.5 to 8.0 mm and provide a customisable, tight installation.
- **Modular keystone compatibility:** Suitable for common keystone modules such as RJ45 keystone jacks, 90° or 180° modules, keystone couplings and fibre optic keystone modules.
- **Robust industrial housing made of PA66:** The black housing material offers high mechanical stability and supports long-lasting installation.

The InLine® cable connector empty housing for RJ45 Keystone modules was developed for the protected use of network connections in demanding installation environments. With protection class IP68, the housing offers reliable protection against dust and moisture and is suitable for installations in industrial environments and in non-air-conditioned areas.

The housing is designed to accommodate Keystone modules and supports various designs such as RJ45 Keystone sockets, 90° or 180° modules, Keystone couplings and fibre optic Keystone modules. This keeps the installation flexible and modularly expandable.

Two enclosed silicone sealing systems enable secure sealing of different cable diameters. Seal 1 covers cables from 3 to 8.0 mm, seal 2 is suitable for cables from 1.5 to 4.0 mm. The M23x2 thread ensures a stable and tight screw connection.

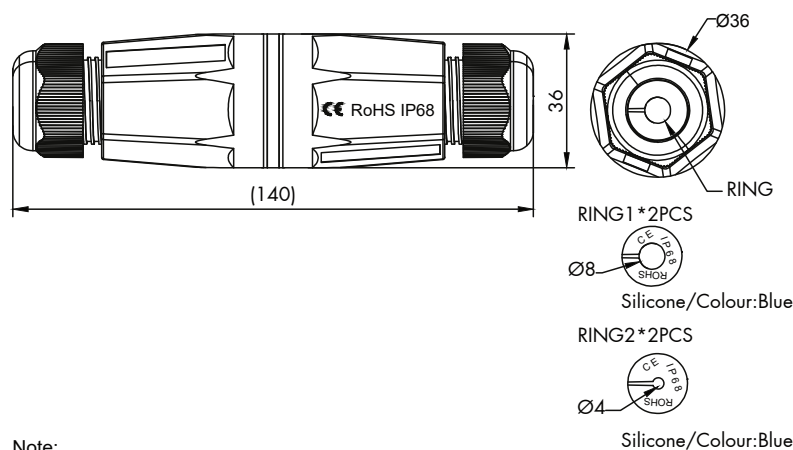

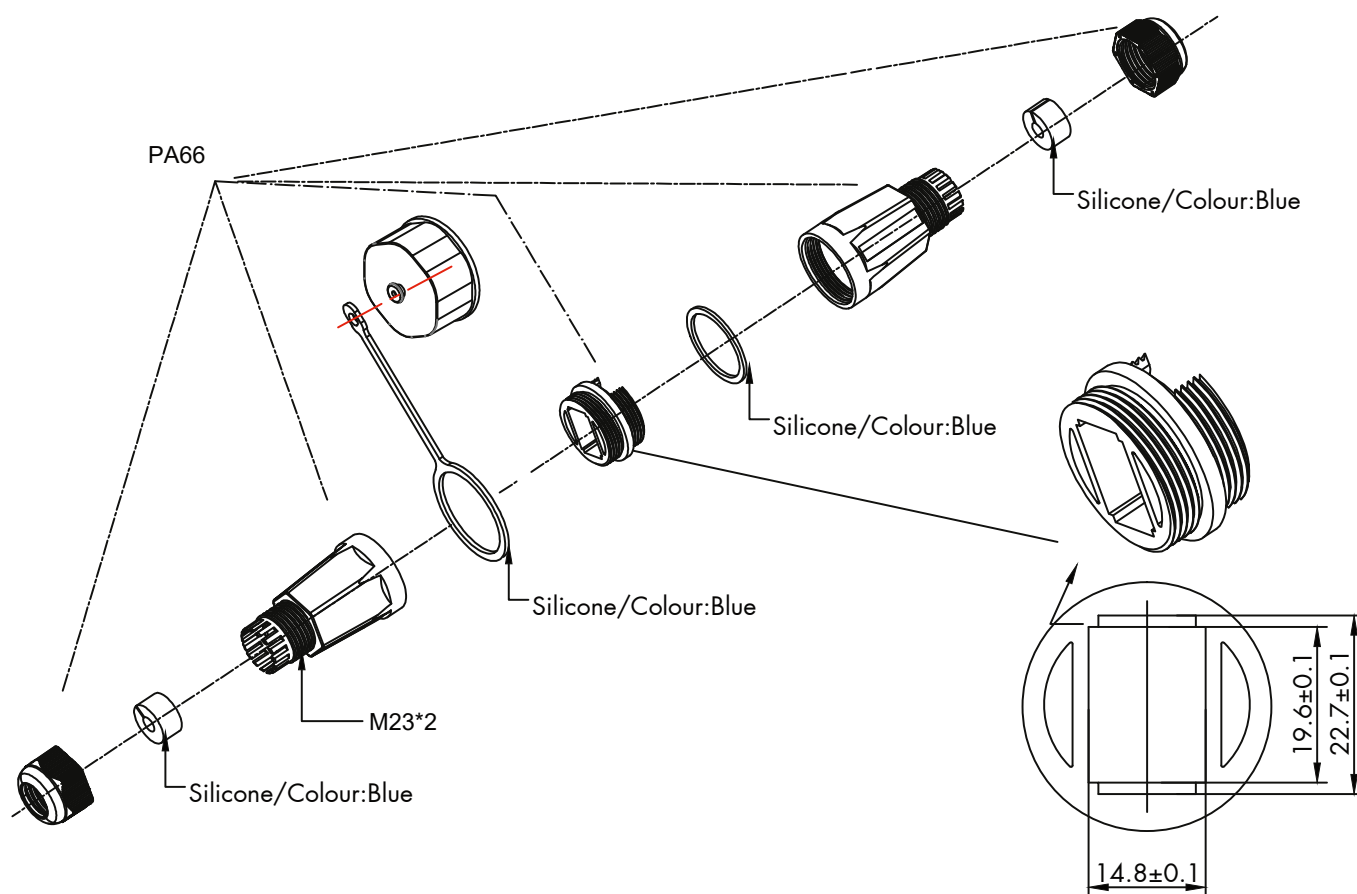

- Thread: M23x2
- Housing colour: black
- Seal colour: blue
- Seal material: silicone
- Protection class: IP68
- Housing material: PA66

Technical Data	
Article height:	3.7cm
Article length:	14.4cm
Article width:	3.6cm
Colour:	Black
Type:	Keystone empty housing IP68

Item No.	Color	EAN
69992V	black/blue	4043718346981

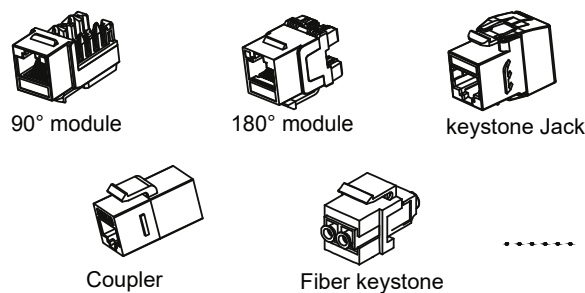

Note:

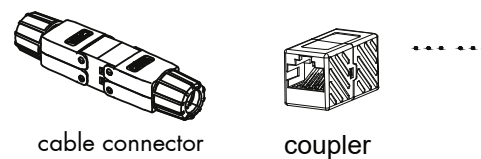

1. Housing: PA66/Black, 94V-2
2. O-shape sealling rings: Silicone, Colour: blue
3. Waterproof sealling rings: Silicone, Colour: blue
4. RING1: Can be used for existing cable diameters from 3 to 8.0mm.
RING2: Can be used for existing cable diameters from 1.5 to 4.0mm.

RoHS2.0 (2011/65/EU) / (2015/863/EU) Compliant

Suitable for keystone type product For example:

Suitable for cable connector, coupler For example:
